Time

1. Games (U10) will be 6 innings or one hour and 40 minute time limit. No new innings will be started after one hour and 30 minutes unless the score is tied. Time is computed from the time that the last out is made in the previous inning. The umpire is the official timer. In the event of injury, the umpire will stop the time.
2. The following rules will be enforced to keep the tournament on schedule:
 - a. Pitcher may "walk" a batter simply advising the umpire.
 - b. No more than three warm-up pitches between innings or five pitches after a change of pitchers.
 - c. No infield or outfield practice between innings.
 - d. The baseball must be returned directly to the pitcher after an out is made in all games.
 - e. A pitcher must be removed on the 2nd mound visit in the same inning, or 4th visit to the mound in the game and then on every subsequent visit after the 4th, regardless of how many pitchers a team has used.
 - f. Courtesy Runners - Courtesy runners may only be used for the catcher or pitcher at any time, but **MUST** be used when there are two outs for the catcher. The runner **MUST** be the player who made the last out, whether in the current or previous inning (previous inning if no outs recorded in current inning). If the last out made was by the catcher or pitcher, you may skip them and go to the next option. Please have this player identified and ready if you plan to use a courtesy runner.
 - g. Extra Innings - Will utilize California Rules - the person who made the last out in the previous inning will start at second base to start the extra inning and 1 out in the scorebook. Each batter will start with a 2-1 count (2 balls, 1 strike). Play then continues as usual. If the game remains tied after two extra innings, it will be a tie in the standings.
3. **Mercy Rule** - If your team is ahead by 15 runs at the completion of 4 or more innings, then you are declared the winner. If the home team is ahead by 15 runs, they will not receiving their at-bats during that inning and the game will be declared as a run-rule.
4. Please anticipate pitching changes to save time.
5. No infield or batting practice before games. This is meant on the playing diamond only. Check with tournament supervisor for potential pre-game warm-up areas.
6. Have your lineup ready 15 minutes before game time. Present the lineup to the umpire before the game. Each team will be responsible for scoring the game. The umpire will verify the score with each team after each ½ inning. The umpire's score sheet should be verified and signed by both coaches following the completion of the game. This score sheet becomes the official record 15 minutes after the completion of the game, and cannot be disputed, unless both coaches agree an error occurred.
7. You must be at your scheduled diamond 30 minutes before the scheduled start time. If a game can be started early, it will be.

Rain Delay Policy

In the event the weather delays the games, but does not cancel the entire day or tournament, the following rules will apply:

1. The tournament official for each area will have the final say at each location at all times.
2. The safety of the players and everyone involved with the tournament is our primary concern. If there is any concern about the condition of the field, contact the tournament official. At that time efforts to resolve any concerns will occur.
3. If a rain delay occurs, the following policy will be followed:
 - a. A complete game will be considered 3 full innings. (Note: If the home team is leading after 2 ½ innings and the game is suspended due to rain, the home team will be awarded the victory.)
 - b. If the game is delayed, the game clock will be stopped for up to 15 minutes due to rain. Beyond that, the game clock will continue until the time has expired. At that time the win will be awarded to the team in the lead if three innings have been played.

- c. If the game is stopped in the middle of an inning, the umpire will award the win to the team leading the game at the end of the last complete inning, as long as 3 full innings have been played. If the score is tied and the game is cancelled due to weather, the game will be declared complete.
4. In case of rain delay, games may be reduced in time to accommodate all games assigned for that day.
5. Rain date for make-up tournament or games is Sunday, 6/10/18.
6. It is the desire of Greendale Park & Recreation to see that all games are played in full. These rules are intended to assist the field officials in fairly dealing with the potentials of a rain delay. It is our intention to allow the field official to use their judgment and to do everything necessary to get all games in while at the same time keeping the players and families safe.
