Care 4 Kids

The Greendale Park and Recreation Department offers a “wrap-around” child care program, which we identify as “Care 4 Kids”, at Highland View School. Even though it is a “wrap-around” to the Time 4 Learning Charter School, this is an independent entity of the Park and Recreation Department so any questions you have regarding the “Care 4 Kids” child care program should be addressed directly to the Greendale Park and Recreation Department. The two options for the Care 4 Kids program are identified below. You may register for either before or after school care or both. These are the fees for 2017-18.

General Information

- At the Care 4 Kids wrap-around day care program, our goal is to provide a quality, caring and creative program which will enhance each child's self-esteem, provide for personal development in a positive setting, and is conducive to developing values and skills.
- Registrations are accepted on a first-come, first-serve basis up to a maximum of 20 children.
- For those who qualify, this program is registered with Milwaukee County Department of Workforce Development (Wisconsin Shares) for financial assistance with a YoungStar “Two Star” Provider rating.
- The program operates on the Greendale School District calendar...no school day...no Care 4 Kids (holidays, teacher professional development days, snow closings, etc.). Please note, elementary school begins on September 5th, however, Time 4 Learning begins on Monday, September 11th. This will be the first day of child care also (September 11th). Please note that at the time of printing this flyer this date is tentative. Final information will be available with your packet in August.
- Children must be toilet-trained and able to provide “self care” to participate.
- Care 4 Kids is not a state licensed program; however, we follow the guidelines set forth in the Wisconsin Administrative Code, Department of Health and Family Services, Division of Children and Family Services.
- Because our program is scheduled month-to-month, you may not switch your dates and you may not “drop in” on a date within that month’s calendar if you are not scheduled and expect care to be provided.
- Program fees are paid monthly and are due by the 18th-21st of the current month for the following month (actual dates are designated on the monthly calendar you receive). A \$10.00 late fee will be assessed for each overdue calendar/payment.

If needing Care 4 Kids child care, you must indicate this to the office staff at Highland View, Canterbury or College Park schools at the time you register for the Time 4 Learning program and then submit this registration form and appropriate fees to the Greendale Park and Recreation Department.

I am interested in the following child care program needs for my child who will be attending the Time 4 Learning Charter School. (Once your child has been placed in the Time 4 Learning program, and you (the parent) has accepted placement, you will receive a packet of information and forms (in August) for your child to begin the Care 4 Kids program in September.)

Registration form, and a registration fee of \$100.00 (\$50.00 of which will be a credit applied to your first month's payment) are required by March 24, 2017, if desiring this wrap-around child care. The elementary schools will begin student placement (AM/PM) in April/May of 2017.

Please review this carefully. We ask that you place an “X” in all of the boxes that would apply to your desire for the necessary child care options available at this time. This is a “preliminary” schedule for us to begin planning appropriately for staffing and you will not be held to this schedule.
