Co-Rec Softball Rule Revisions & Talking Points – 2017 – revised 4/13/17

Game Play #1 – Teams may bat ALL players attending their game. Re-entry rules to batting order will apply. If more men than women, they must alternate in the batting order. Note – Should a player leave the game due to injury and be unable to bat, their team will not be penalized an out at their spot in the batting order. However, if that player misses an at-bat, they are not able to re-enter the game defensively.

Game Play #3 – League will be adding a mat behind home plate. All pitches that are within the height restricts (6-12') and hit home plate or the mat will be called strikes. We will re-evaluate mat usage after games on 5/23.

Equipment #2 – All bats must have an aluminum barrel. Composite handles are allowed, but barrels must be aluminum. Bats will be stickered early in the season (first 2 weeks). Any manager wanting additional bats to be stickered after the first two weeks **MUST BE** sent by email to Nick Phalin (Nick.Phalin@Greendale.k12.wi.us) at the Park & Rec office one week in advance of preferred use to make arrangements for stickering. **Note** – Managers are in charge of reminding their roster (and subs) that non-stickered bats are illegal.

Rosters / League Fees / Player Cards #4 – Player cards must be turned in by week 2. Managers should work to turn in their entire team together instead of each player turning in individually.

Notes – schedules will be out by 4/26 at the latest.
