Laverne & Shirley Style

adults

Schlemeil, Schlimazel, Hasenpfeffer Incorporated!

Do you know what this means? Find out by taking a fun-filled tour of Milwaukee... Laverne & Shirley Style. You've never been on a tour like this before! You'll see the Pfister Hotel, City Hall which was the opening shot of the Laverne & Shirley show, the Polish flats which is the style of house that they lived in, the brewery where they worked and eventually went out of business and, of course, stop at the Bronze Fonz statue. Tour the Lakefront Brewery and everyone will receive two samples and a glass to take home (Root Beer is available for those who do not consume alcohol). Frank, the loud mouth Italian father of Laverne turned up frequently, as he owned the gang's favorite hang-out, the Pizza Bowl. So this afternoon you'll enjoy an Italian Pizza Family-Style lunch complete with salad, garlic bread, and a non-alcoholic beverage at a local Italian family owned restaurant that is well known for their thin crust pizza. We'll also take in a game of mini-bowling and see if Shotz Brewery really does have the best bowlers. Laverne & Shirley are still trying to beat their high school rival, Rosie Greenbaum, at bowling and need to constantly practice to achieve this (if you are unable to bowl...you will have just as much fun watching everyone else). After working off our lunch we'll need to stop for a custard treat at Leon's Drive-In, a Milwaukee Tradition.
