Message from Greendale Schools Superintendent

Dear Greendale,

Greendale Park and Recreation provides fabulous opportunities to engage, connect, and learn. Over the past six months, the team has focused on safety and continuing to offer social experiences, learning, and child care in new ways. Now, more than ever, we value opportunities to connect with others in the community and learn new skills.

As schools return to learning, Park and Recreation offers an array of classes and experiences. Consistent with our phased reopening, child care and

Open Markets have continued to follow Health Department guidelines. The fall programming will begin in October with added safety measures. Park and Recreation programs will be prioritized in school facilities, which are running limited times to accommodate cleaning procedures.

I would like to thank the community for their support of the recent construction projects in all of our school buildings. This includes new spaces for learning, not only for students but also for the greater community. We welcome you to visit Canterbury, College Park, Highland View, and Greendale High School for

an Open House on Friday evening, October 9, from 4:30pm to 6:30pm, and Saturday, October 10, from 11am to 2pm. Attendees are asked to follow a mapped tour route, wear masks and follow social distancing guidelines. The Park and Recreation administration and staff continue to be innovative and flexible! They truly consider all ages and seek to find ways to serve you and the community. I look forward to participating along with you in Park & Rec sponsored events and activities this fall. Be well and stay safe and healthy!

Kim Amidzich, Superintendent
