We are willing to work on payment plans if you need to do so...we are more interested in you registering for the class/program.

Message from the Greendale Schools Superintendent

Hello Community Members:

The cold weather months in our Village are made happier and healthier through the many engagement opportunities offered by Greendale Park & Recreation! Season after season, Park & Rec plays an important role in our community with programming that fosters recreation, education and wellness for the youth and adults. This Winter/Spring Brochure is filled with activities to exercise your body and mind during the next several months. I am sure you will find something to meet your interests in these pages.

It has been exciting to welcome our community back to our schools this school year. With health safety strategies in place, we have seen visitors and volunteers participating again to support the education of our students in our schools. Athletic Events, Fine Arts activities, Reading Buddies, and other community engagement activities are important ways our community can become involved in the education of our students.

This school year, Greendale Schools has launched a new community engagement opportunity. I hope you will join me for a lunchtime, digital meeting to learn more about our schools. Bring your topics for discussion and have your questions about Greendale Schools answered. Meetings are held on these Wednesdays from 12 - 1 p.m.: March 9, and May 25. Check out the flyer on the back page of this brochure. The meeting links are also shared on the district website calendar. We look forward to seeing you!

We are grateful for the support of our community. Your pride and support of our students, staff and programs makes all the difference.

Best wishes for the coming year!

Kim Amidzich, Superintendent
