A Few Things to Remember with Online Registration

-If you have an account, please make sure you have double checked your info (birthdates, grades (if applicable), current phone number, etc.) so that you will be able to register without any problems. Remember we will only be available for trouble-shooting Monday-Friday, 8:00 a.m.-4:30 p.m., and as we have to manually verify each household once it is requested, it must be done during office hours.

-**Make sure to register early!** For processing and prepping, online registration is removed on Wednesdays for all programs starting the following week (ex: on Wednesday, September 18, classes starting September 23-29 will no longer be available for online registration-only by calling the office).

-**Open Enrollment Families** attending Greendale School District Schools (public schools) for the 2019-20 school year may register online Wednesday, September 4th as well. In order to receive the correct fees for classes using online registration, please call the office to let us know your family is Open Enrollment. If you do not let us know, you will not be correctly charged and we will not offer any refunds.

-**Class Filled/Waitlist**-If a class is marked full and you are still interested in the class, please call the office to be placed on a wait list. If we can accommodate more participants you will receive a call from the office and have a two day window to let us know if you want the spot and to make the required payment.
