

Dear Community Members,

All of us at Greendale Park and Recreation would like to extend a heart-felt thanks to our residents and visitors for supporting facilities, programs and activities this summer. Although we experienced challenges due to the COVID-19, we were proud to provide ways for the community to stay active and connect-even at a distance. In addition to offering Sunday Gazebo concerts ("Village Nites on the Green"), the Greendale Downtown Market, and the Paper Shredding event, most of our recreation programs and activities were able to take place with mitigation procedures in place...providing adults and youth opportunities all summer long in which to learn and have some fun with friends this summer. As we have planned this fall program brochure, we are applying a lot of what we learned and experienced this summer. Although we do not know exactly what the future will bring, we know that we will continue to get through it "together." We would like to recognize our Park and Recreation staff, volunteers and colleagues who have "stepped it up" to allow us to provide the opportunities for our community this summer. Please thank them for their willingness to accept the challenge and work with us...they are true Park and Recreation Heroes!

Greendale Downtown Market Vendors

Continuing to support the market with their  
attendance  
(all 35 vendors and our musician, Brian Drow).

Gratefully,  
Jackie Schweitzer, Director  
Greendale Park and Recreation Department
