FREE Residential Paper Shredding Event

Paper Shredding Event

The Village of Greendale, DPW, and Park and Recreation will be providing Greendale residents (household only-no commercial) the opportunity to bring paper documents for secure and environmentally-responsible "on-site" destruction.

Residential Paper Shredding Event

Saturday, May 18
8:00-9:30 a.m.

Greendale Municipal Lot (off of Parking Street)

Things to Know:

Each Greendale Household will be allowed **ONLY TWO (2)** banker-size boxes (10x12x15 inches) full of documents. Boxes will be given back to the homeowner to dispose of.

ONLY PAPER DOCUMENTS will be accepted (examples include bank statements, invoices, medical records, credit card offers, pay-stubs, etc.). Staples, small paper clips, large paper clips, binder clips are acceptable, but should be limited. **NOT ACCEPTED** are ring binders, steel posts, hanging file folders, and edge binders.

Must bring a valid driver's license listing Greendale resident or current utility/tax bill listing Greendale residency. Please check the Greendale Park and Recreation Facebook page for event information.

The fall 2023 collection generated 6,000 pounds or 3 tons of paper, saving 51 trees!

The Document Company (KARD Shredding) will securely shred documents on-site, and then bundle up the confetti-sized pieces and have them recycled. Accredited by the National Association for Information Destruction (NAID), KARD Shredding will securely shred your confidential papers. This sustainable process includes on-site shredding to NAID-certified specifications, then delivered to KARD's plant in New Berlin, Wisconsin, for a second shredding. KARD creates bales for paper mills in Wisconsin where the shred is de-inked and mashed as pulp into new paper. A single tree has potentially seven lives through this process, with one ton of paper saving 17 trees each time. According to the EPA, that same ton of recovered paper saves (1) enough energy to power the average American home for six months, (2) 7,000 gallons of water, and (3) 3.3 cubic yards of landfill space, as well as (4) reduce greenhouse gas emissions by one metric ton of carbon equivalent (MTCe).

Start planning and see you on Saturday, May 18th!

Sponsored by: Birmingham Recycling LLC and J&J Contractors I LLC Organized by: Greendale Park and Recreation Department with assistance from Greendale Department of Public Works

Note: Greendale Park and Recreation Residential Paper Shredding Event goes until 9:30am. Residential documents may not be accepted after that time. KARD Shredding will stay on site until 10:00am to finish their on-site shredding, but will not be able to accept additional residential documents for shredding. Residents not already in line and arriving after 9:30am will be turned away and not be able to have their documents shredded.

You had me at Pork Belly! Grilling and Entertaining

adults

Pork belly — which has long been on offer in Asian, African American, and Latinx cuisine — is one of those cuts of meat that has seen a tremendous spike in popularity with American diners over the last decade. But many of us don't know how to handle it and learning how to cook pork belly can be a bit daunting. It's a cut of pork that you don't often see and most people don't cook more than a couple times in their lives! Plus, pork belly is just a strange cut. It looks familiar because it is where bacon comes from, but raw pork belly is different from its cured counterpart in that it very succulent, tender and full of flavor.

You will learn how amazing pork belly is to cook and eat. I will provide you with several recipes that are easy to prepare and that will delight your friends and family. Plus, you'll sample...Sticky-Sweet Pork Belly Sliders with Creamy Cucumbers and Quick Pickled Red Onions on Hawaiian Buns and a Grilled Green Tomato Caprese Salad and enjoyed with a Summer Fruit Mocktail to finish and cleanse our palates!

GREENDALE

5th Annual "KITES OVER GREENDALE"

SATURDAY, AUGUST 31
 12:00 PM – 4:00 PM

COMMUNITY CENTER PARK
 (6200 S. 76th Steet)

People will be able to fly their own kites and watch a team fly their kites in unison...sort of like the Blue Angels, only with kites to music. There will be a Grand Launch of all of the kites at 12:30 p.m. with "LET'S GO FLY A KITE" playing in the background. A kids "Mad Dash" will take place at 2:00 p.m. 25 free kites will be given to the first 25 kids who sign up and participate to see who can get their kites the highest in 60 seconds. The winner will get a \$25.00 kite from Gift of Wings Greendale. The Giant Octopus kite (150 feet long and 50 feet wide) will be onsite and hopefully in the air! This kite requires a lot of wind, it's flight is subject to the wind conditions that afternoon. Also enjoy kite demonstrations by a Professional Team (weather dependent), and activities for children provided by Team A.L.I.E.N.

Hope to see you there!

Designing Perennial Gardens

adults

The art of gardening is creating a living work of art! For over 20 years, our presenter, Jeff Trader, has designed his home gardens to encourage the viewer to sit, relax and enjoy! His gardens delight from early Spring through Fall. Perennials abound with a touch of annuals for added color throughout the seasons. Waterfalls and a lily pond can add enjoyment to a perennial garden as well.

Jeff's presentation will highlight the key elements in garden design for garden beds. Come and enjoy, get some questions answered if you have a perennial bed and are contemplating plans for 2024 and beyond (especially as you view your garden beds today and are looking for wonderful planting ideas). His goal is to share the benefit of his experience with all of you.

Consider visiting the GHS School Garden, behind the high school from 5:15pm to 5:45pm for a tour setup by Karla Geiger, School Garden Coordinator. Bring your favorite[s] perennials for an exchange. Light refreshments served from harvested items in the garden.

Date: Tuesday, July 23 #111307.1
Time: 6:00-7:00 p.m.
Location: Greendale High School
Room 176
