FREE Residential Paper Shredding Event

The Village of Greendale, DPW, and Park and Recreation will be providing Greendale residents (household only-no commercial) the opportunity to bring paper documents for secure and environmentally-responsible "on-site" destruction.

Residential Paper Shredding Event
Saturday, May 10
8:00-9:30 a.m.
Greendale Municipal Lot (off of Parking Street)

Things to Know:

Each Greendale Household will be allowed **ONLY TWO (2)** banker-size boxes (10x12x15 inches) full of documents. Boxes will be given back to the homeowner to dispose of.

ONLY PAPER DOCUMENTS will be accepted (examples include bank statements, invoices, medical records, credit card offers, pay-stubs, etc.). Staples, and small paper clips are okay; large paper clips, binder clips, ring binders, steel posts, hanging file folders, and edge binders are **NOT ACCEPTED**.

Must bring a valid driver's license listing Greendale resident or current utility/tax bill listing Greendale residency. Please check the Greendale Park and Recreation Facebook page for event information.

The fall 2024 collection generated 3,000 pounds from 126 vehicles.

The Document Company, Abraham's On-Site Shredding Service, will securely shred documents on-site, and then bundle up the confetti-sized pieces and have them recycled. Shred-it reports that every ton of recycled paper saves 17 trees, 380 gallons of oil, 3 cubic yards of landfill space, 4000KW of energy, and 7,000 gallons of water.

Start planning and see you on Saturday, May 10th!

Sponsored by: Birmingham Recycling LLC and J&J Contractors I LLC
Organized by: Greendale Park and Recreation Department with assistance from Greendale Department of Public Works

Note: Greendale Park and Recreation Residential Paper Shredding Event goes until 9:30am. Residential documents may not be accepted after that time. Abraham's Shredding will stay on site until 10:00am to finish their on-site shredding, but will not be able to accept additional residential documents for shredding. Residents not already in line and arriving after 9:30am will be turned away and not be able to have their documents shredded.
