Private/Small Group Voice Lessons

ages 13 through 18

Learning to sing can be an immensely rewarding experience. Unlike other instruments, the voice is a part of you, and learning to use it well opens up virtually limitless possibilities for self-expression (artistry, entertainment, worship, or just plain fun).

Have you ever wanted to take voice lessons? Whatever your youth's reason, this cooperative venture with Greendale School District, is to encourage and guide your youth's growth as a singer.

Lessons for younger singers will concentrate more on depth of expression and healthy singing, and less on expanding the vocal range or difficult repertoire.

Clay, Clay, Clay!

grades 3 through 8

Students will explore different hand building ceramic construction techniques while developing their own artistic vision. We will explore a different technique (coil, slab, armature) on each of three construction days. Students will then apply these skills in pursuit of their own artistic vision. Students may create one piece over the three days or up to three pieces (one each work session). Families should note that student work will need to dry out and be fired in the kiln before color can be added. The 4th session will be for adding glazes and these will require an additional firing. Final pieces will need to be picked up at Park and Recreation after November 18th.

Greendale Community Concert Band

New Members Welcome at Any Time!

We are looking for new members and encourage anyone who plays a band instrument to come and join us. Membership is open to any adult or High School student with an interest in learning and playing concert music. Greendale has a very active Community Band which performs at numerous civic and cultural events in the area year-round. The Band's repertoire includes standard Symphonic Band repertoire, patriotic music, marches, Broadway/movie show tunes and big band numbers. Members of the band are all volunteers, some are even retired music educators! There are no fees or dues required to join. Just bring your talent, your desire and your commitment. So, pick up that instrument, dust it off and come join us!

If you are interested and can commit to the organization, please contact the Greendale Park and Recreation Department at 414.423.2790.

Make your own lotions, creams and lip balm. Why? It's less expensive, it's fun, often it's healthier, and safer. Learn the health reasons for being careful about what you put on your skin. Make some body care products in class and leave with 3 lip balms, 2 oz. natural lotion, 2 oz. silky smooth cream, and 4 oz. body scrub.

These are great gifts. They are great for maintaining healthy skin and can help you deal with the effects of cold weather and dry air.

"A Blank Canvas... A Stroke of Genius" Acrylic Painting for the Beginner

ages 16 years and older and adults

Many people aspire to learn how to paint, but few know where to begin. Maybe you used to paint, but haven't had the time to get back into it? Either way, you've picked the right class to develop your creative artistic spirit with acrylic painting!

Acrylics are water based, very fast drying, easy to use and very forgiving. Learn how to map out your composition and layer, match colors, blend on a wet or dry surface to create fades and gradients, and learn how to get smooth intricate detail. What a great opportunity for residents with similar interests to gather in this "hands-on" art class while uncorking your inner artist and creating something of your own. Best part is... everything you need to create your own work of art is included for your use in class (canvas, pallet, water-based acrylic paint, and brushes), and you get to take your painting home at the end of the 3-part session!

If you aspire to learn basic techniques to acrylic painting, or enhance what you already know, consider joining Jodi's exciting, enlightening instruction as she coaches you to creative success!
