Special Notice To Parents Of Youth Program Participants:

Parents are reminded to pick their children up at the completion time listed for the activity they are participating in. Recreation staff are not responsible for participants once their class is completed (they are also not paid to wait for parents who are late in picking up their children). We also ask parents to stress to their children that when they are in a school building they should go directly to their program activity area and not wander around the building. We do not wish to lose our privilege to utilize these facilities because of participants being where they should not be. Your cooperation with this is greatly appreciated.

To Our Program Registrants:

During the course of our programs, there have been times that disruptive participants have impacted our classes. Our instructors try to work with these participants, however, sometimes the behavior becomes such that it impacts the ability of the other students to learn and the ability of the instructor to teach and provide a safe learning environment. The following procedure will be in effect if problems occur:

1. Verbal contact between instructor and program participant and/or parent.
2. Reoccurrence following this conversation will result in removal from the program.
There will be no refund of fees for people removed from programs as the determination of offering classes depends on the number of registered participants.
