A Few Things to Remember with Online Registration

-If you have an account, please make sure you have double checked your family info (birthdates, grades (if applicable), current phone number, email addresses, etc.) so that you will be able to register without any problems. Remember staff will only be available for trouble-shooting Monday-Friday, 8:00 a.m.-4:30 p.m., and as we have to manually verify each household once it is requested, it must be done during office hours.

-**Make sure to register early!** For processing and prepping, online registration is removed online on Tuesdays for all programs starting the following week.

-**Open Enrollment Families** attending Greendale School District Schools (public schools) for the 2023-24 school year may register online on Saturday, January 6.

In order to receive the correct fees for classes using online registration, please call the office to let us know your family is Open Enrollment. If you do not let us know, you will not be correctly charged and we will not offer any refunds.

-**Class Filled/Waitlist**-If a class is marked full and you are still interested in the class, please call the office to be placed on a wait list. If we can accommodate more participants you will receive a call from the office and have a one day window to let us know if you want the spot and to make the required payment.

-**Program Registration Confirmation/Receipt**

Online: Print receipts at completion of registration.

-**Internet Browser:** Make sure you are using the **Google Chrome internet browser** when registering for classes. We have found that other browsers (Edge, Explorer, Firefox, etc.) are not fully supported by our online software.
