Greendale Park and Recreation COVID-19 General Guidelines for Programs/Activities

Stay Home If You Are Sick

Any participant or instructor who has had ANY of the following symptoms within 24 hours of class may not participate; cough, shortness of breath or difficulty breathing, fever, chills, muscle aches, body aches, vomiting, diarrhea, new loss of taste or smell.

Disinfecting Equipment

Any equipment or supplies and surfaces used during a class will be cleaned and sanitized by the instructor before the next class. The building custodians will do a deep clean each night.

Keep Your Distance When Possible

Participants are reminded to keep social distancing in mind at all times and respect the 6' boundary whenever possible.

Choose Kind

These procedures are in place for EVERYONE'S safety. Things may take a little longer and look a little different. Please remember to be kind if things do not go as planned.

Wash/Sanitize Your Hands

Please wash your hands prior to programs and use hand sanitizer when available. Make sure to do the same after sneezing/blowing your nose.

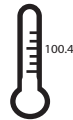

Bring a Filled Water Bottle to Class

Water fountains are currently unusable in any of our facilities (indoors & outdoors). In order to keep properly hydrated please bring a filled water bottle to each class.

Wear a Facecovering

Greendale Park and Recreation follows the guidelines of the State of Wisconsin mask mandate as long as it is in effect. This requires people to wear a facecovering anytime they are indoors. The department will not be providing any so please bring your own.

Temperature Check

Some activities may require a temperature check using a contactless thermometer. If 100.4 or higher participation is not allowed.

 Thank you for your support of these guidelines/recommendations. When we all work together good things happen!

Online Resident Registration starts on September 19!!

GREENDALE SCHOOLS
INVITES YOU TO

TOUR YOUR SCHOOLS

Friday, October 9, 4:30 to 6:30 p.m.
Saturday, October 10, 11 a.m. to 2 p.m.

Self-guided tours of the new spaces at Canterbury, College Park, Highland View, and Greendale High School will be offered. Attendees are asked to wear face coverings and follow the mapped, physically-distanced tour route.

Virtual tours will also be available online for those who wish to "tour" the schools from home.
