

AFTER SCHOOL SPORTS & ACTIVITIES

Don't Miss Out On this Afterschool Opportunity Imagine Arts Academy - World of Design

Powered by the people who bring you Mad Science

Kids will go on a journey to the edges of their imagination-and beyond! They learn about Mars, the rainforest, cities of the future, and get engaged in the creative design process to solve real-world problems. Each class our young architects, illustrators, and graphic designers will develop their ideas from concept, to sketch, to finished product. Using Crayola supplies kids will experiment with sculpting, storyboarding, mixed media, and more!

Tuesdays, College Park - February 18-March 11

Wednesdays, Highland View - February 5-March 12

Thursdays, Canterbury - February 6-March 13

Chess Scholars with Instruction

grades 5K through 5

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.
