

Crossing Guards Needed

The Greendale Police Department is currently accepting applications for the position of Crossing Guard. This position involves assisting students and pedestrians with crossing various intersections throughout the Village. Full time Crossing Guards are responsible for one intersection during both the morning and afternoon. Relief Guards are on an on-call basis and will fill in when a full time Crossing Guard is unavailable for their shift. Morning crossing times vary but range from approximately 8:00 a.m. to 8:50 a.m. depending on the intersection. Afternoon crossing times vary but range from approximately 3:20 p.m. to 4:00 p.m. depending on the intersection. This is a paid position and is a great way to assist our department with making Greendale a safe place for everyone. If you are interested please submit your application at Greendale.org.

Volunteers

"The scope and success of the Greendale Park and Recreation Department, and its many activities and programs, are greatly enhanced through the assistance of a dedicated volunteer corps." With reduction in budgets, volunteers become even more important in our overall operation.

There are many opportunities to volunteer within the department. Volunteers will be matched with our needs based on their talents and interests. The department utilizes volunteers to assist in office work (filing, class lists, evaluations, answering telephones, etc.); with registration implementation; program aides/assistants to instructors (chaperones for outings, extra eyes for swim lessons, Bloom 'N Grow, prepping art projects); coaches/officials for youth sports (flag football, basketball, afterschool sports programs), and many odd projects.

Volunteers are an integral part of all we do, do you have time or talents to share??? If so, please give us a call at 414.423.2790.

Thank you for your consideration!

RECREATION ASSISTANCE PROGRAM

The Greendale Park and Recreation Department recognizes that some of the residents of the Village of Greendale require financial assistance to attend certain recreational activities. RAP provides these residents with the opportunity to attend these programs at a discounted rate.

Any family or individual who is a resident of the Village of Greendale may apply for the Recreation Assistance Program. To qualify, residents must meet Federal Income & Financial Support Guidelines (Income Eligibility Guidelines for the Federal Government will be acceptable guidelines for the Department to follow encompassing household size and annual income). If families qualify for the free and reduced school lunch program through the Greendale School District, a copy of that application may be submitted as documentation.

For more information, or to request an application, stop in at the Greendale Park and Recreation Department.

Financial assistance for this program is supported through our "Round Up for Recreation" program supporters and our Park and Recreation Benefit Auction.

Non-Resident/Open Enrollment
