

Greendale Park & Recreation Department

Memorial Tree and Bench Program

The Memorial Program allows patrons an opportunity to celebrate a loved one's life, or memory, in a beautiful, natural setting.

Memorial Tree

Pre-Approved Species Available

\$175.00*

A plaque will be added to the Memorial Tree master recognition Nameplate Board located inside at Village Hall. The fee for this is included in the general cost of the tree.

Memorial Bench

Option #1:

The first option is a Contour Bench (which has a back) for \$850.00.

Option #2:

The second option is the Trailside Bench for \$625.00.

An engraved bronze Name Plaque, can be installed onto a Memorial Bench for an additional \$100.00*.

The person requesting a Memorial Bench or Memorial Tree should submit a written request accompanied by the appropriate fee. The memorial bench will offer a resting area for leisure, reflection, and relaxation. The living, growing tree will be a constant reminder of the reason you gave it.

Price for both benches includes installation and maintenance. Both benches have a black powder-coated steel frame, resin wood slats and are 6' long. Both are surface-mounted with anchor bolts on a 4' x 6' slab. These designs were selected for their durability, ease of maintenance, and uniformity throughout the village. The Greendale Department of Public Works will maintain the memorial benches on a similar interval as standard park benches. To ensure tree species diversity, the Department of Public Works has selected given species of trees for different areas throughout the parks. Requestor will be provided with these options of species, and provided a couple of locations in which the tree may be planted (which will be done by the Forestry Division of Public Works).

The Director of Public Works and the Park and Recreation Director will collectively determine a location for either the bench or the tree and make the final decision. We will try to accommodate the placement choice for your bench or tree as much as possible.
