Bloom 'N Grow

The Bloom 'N Grow preschool program implements the Wisconsin Model Early Learning Standards to provide a positive first school experience for your child. Our program provides exploration opportunities in a variety of learning areas including reading, language development, science and math. We establish an environment that is secure and nurturing, while building self-esteem. Our goal is to establish a positive foundation for future learning, while making new friends and having fun.

Classes begin early September and run until mid-May. Thanksgiving, Christmas, New Year's, and the respective days off for these holidays and spring break are excluded (in addition to any Greendale School District closings or "off days").

An open house and parent orientation is held the week before class begins in September (COVID dependent).

General Information

- Any child who turns 3, and is toilet trained, by September 9, 2022 may be enrolled.
- All activities are age appropriate, allowing each child to develop at his/her own ability.
- Mid-term enrollment is accepted upon availability and in consultation with teacher and parent as to readiness of child (no later than 3 years by January 1st).
- Children to staff ratio is 8:1. Lesson planning and direct instruction is implemented through a collaborative approach with the Greendale School District Early Childhood Staff.
- Enrollment is held in January/February at the Park and Recreation Department.
- A \$50.00, non-refundable, registration fee is required to reserve a spot in the program (first-come, first-serve basis).
- The \$900.00 tuition fee must be paid in full for the school year by August 26th or a payment plan may be prearranged.
- The Bloom 'N Grow classroom for 2022-23 will be at Highland View School (Early Childhood room).
- There will be no pro-rating of fees for missed days, illness, or vacations.
