If the game begins with nine players and the tenth player arrives late, that person must bat in a rotating (women/men) position. If a team has more men than women, upon mutual agreement of **BOTH** team managers, play may begin without a forfeit. If an injury occurs, a team may continue with eight players - record an out at point where injured player would bat in lineup. Any time the team drops below eight players, the team is penalized the game, it is ruled a forfeit, (however the forfeit fee will not be imposed). If there are more of one gender than the other, you can bat ALL players as long as the males and females take turns batting. No same gender should ever bat back-to-back. Should a player leave the game due to injury and be unable to bat, their team will not be penalized an out at their spot in the batting order. However, if that player misses an at-bat, they are not able to re-enter the game defensively.
2. Teams must present a line-up of at least nine players before the start of the game, or will forfeit. There will be a 5-minute grace period prior to such forfeitures; 5 minutes after scheduled game time. The 5 minutes will be deducted from the playing time. Umpire's watch will be official. Umpire has discretion to allow another inning of play if the team that was late is ahead at the end of the regulation time limit. In case of a forfeit, the team will be assessed a \$25.00 fee payable at the Recreation Department prior to next scheduled game. On a forfeit, the umpire will not work the game.
3. The Co-Rec league will operate with 2 called strikes, fouls or missed strikes or any combination of for the women. 2 called strikes, one swinging strike or one foul ball will be used for the men. 3 balls will constitute a walk for all batters. All pitches that are within the height restrictions (6-12') and hit home plate or the mat will be called strikes.
4. *Teams must have two males and females in both the infield and outfield and one male and female as pitcher and catcher.* (Clarified at Manager's Meeting 4/12/10)
5. The ball is dead on any walk to a male batter (intentional or not). The next batter, a female, has her choice of walking or hitting, up until the time she steps into the batter's box.
6. Fielder may not switch positions once the inning has started, except they may switch to replace a pitcher, or in case of an injured player. Free substitution of players is allowed.
7. Players of the team in the field may be stationed anywhere in fair territory, except the catcher, who must be in the catcher's box, and the pitcher, who must be in a legal pitching position at the start of each pitch. Outfielders may not occupy the infield (no closer than 25' of the outer edge of the infield-edge of the outfield grass) until after the ball has been hit.
8. Fielding interference that occurs from other ball field, umpire's opinion can and may award bases.

15. Umpires will review ground rules and inspect bats prior to the start of the game with team managers.
16. **Sliding** – the major concern related to the issue of sliding is focused on the dangers of crashing into a fielder (be it the catcher OR any other fielder).
 - a. At NO TIME, may a base runner flagrantly run, block, roll, and/or crash into a fielder. Persons will be penalized to the maximum degree.
PENALTY: Runner declared out, 3 (three) years' suspension.
 - b. We encourage base runners to slide when it is appropriate and not to slide when it isn't! (The majority of softball injuries are related to sliding.)
 - c. Plays at the plate will not require an "automatic slide" situation. HOWEVER...Persons may not make ANY attempt to jar a fielded ball or break-up a play AT ANY BASE. Base runners must slide directly to the base they are advancing to OR AVOID ANY CONTACT BEYOND INCIDENTAL by running "around" (and remain within the required baselines) a fielder attempting a put-out. A runner MAY NOT JUMP or HURDLE to avoid a tag (will be called out).
 - d. FIELDERS (in particular, CATCHERS): remember that you must not OBSTRUCT any base runner. This means...stay clear from the base runner UNLESS YOU ARE: **in possession** of the ball attempting to make a put-out.
17. No new innings will start after the 50-minute time limit except in case of a tie. Umpire's watch will be official.
18. **Extra Innings** - If at the end of the time limit (or 7 innings if completed before the time limit is reached) the score is tied, one additional inning will be played in an attempt to break the tie. If the game remains a tie after the additional inning, the game shall be counted as a tie and 1/2 win and 1/2 loss recorded.
19. It is the responsibility of team managers to "sign-off" for the correctness of the final score. This procedure must take place immediately after the game. Once submitted, SCORE SHEETS WILL STAND (SIGNED OR UNSIGNED). NO EXCEPTIONS WILL BE MADE.

Incident Weather

1. In the event of threatening weather, call the Park and Recreation Department at (414) 423-2803 after 3:30 p.m. to confirm the schedule. Only if games are canceled will there be any reference to softball game status.
2. All attempts will be made to reschedule rainout games. In case of a rainout, make-up double headers may be scheduled. In that situation, the first game will be 5 innings with no time limit, the second game will be 7 innings with a maximum of 50 minutes. Teams may be scheduled to play on different nights at the end of the season in order to get any or all rainout games in.
3. If a game is rained out on the last meeting of teams, a time will be scheduled by the Park and Recreation Department at the end of the season if the outcome will have a bearing on the awarding of t-shirts.

4. In case of a rainout, game will be suspended from the point of play and continue at a later date. It is the manager's responsibility to make sure umpire-scorekeeper have the right situation on the score sheet. If a player is ejected from a game, the umpire, however, has the discretion to determine whether it was a flagrant cause and whether the next game suspension will be enforced. Umpires, managers and players (or player) will be notified of this one game suspension. If for any reason a player is ejected from a game for the 2nd time in a season, he/she will automatically be suspended from any Greendale Park and Recreation Department leagues for the duration of the season. All decisions will be made by the Park and Recreation Department Director and may be appealed to a hearing committee (consisting of one player, one umpire and one manager) set-up by the Director. The **five reasons for automatic ejection** are swearing, alcoholic beverages, throwing a bat, intentional rough play or touching an umpire. In the case of maliciously throwing the bat, a player, after due process, will receive an automatic suspension for the remainder of the season and a 1-year (14/15 games) suspension the following year. A player or players will have 48 hours after the Director's decision in order to request an appeal hearing.
