Message from Greendale Schools Superintendent

Busy Summer Ahead of Us.

With the approval of the Greendale Schools referendum in November, crews will begin work this summer on the facility improvements outlined in the plan. Every school will be impacted with all elementary schools closed for these renovations during the Summer of 2019. As a result, K-8 summer school will be held at Greendale Middle School.

As residents drive by the elementary schools this summer, they will see work being done on the site to improve parking, drop-off, pick-up, and safer student pathways to the school entrances. Crews will also be doing work to install air conditioning in the elementary schools with the goal of having most of the interior of each of the schools with air for the early start on August 19.

At Greendale Middle School, residents will see crews doing work on the interior with the goal to complete all renovations at this school by the beginning of the 2019-2020 school year. These renovations include completing air conditioning for the remaining section of the building, updating the technology and business education labs, renovating the library to serve as an innovation learning center for the school, and improving the gym and orchestra/choir spaces.

The high school will see similar improvements being done to the other schools. The air conditioning will be completed for the remaining sections of the building. The gymnasium will see improvements including a redone floor.

We are excited for these improvements, but realize that with renovations come noise, messiness, and some inconveniences. Please keep this in mind as you take advantage of different opportunities in our schools and through Greendale Park & Recreation. With these improvements, our intention is that our schools continue to serve as a tremendous resource for Park & Recreation programming now and in the future.

Enjoy the beautiful weather and the many summer activities available in Greendale.

We are inspiring minds!

Gary Kiltz, Ph.D.
Superintendent

P.S. August 19, 2019 is the First Day of School for 2019-2020!
ONLINE REGISTRATION
Resident online registration begins Saturday, May 11 at 7:00 a.m. Non-resident begins Thursday, May 16. Register from the convenience of your home or office at https://webtrac.greendale.k12.wi.us.

Who Can Register Online?
Any individual or household may register online for Park and Recreation Programs.
NEW: If you have never registered with us, go to https://webtrac.greendale.k12.wi.us to create an account.
RETURNING: Call 414-423-2790 to obtain your information if you have misplaced it by May 3, 2019.

How Do I Register For a Program Online?
Go to https://webtrac.greendale.k12.wi.us. Under “member login” area and enter your household ID and password (received when setting up your household account). From there you may register for any available classes. If you do not have a household ID or password, you can create a new account. If you do not remember your information, call 414-423-2790 during office hours to obtain your information.

Which Programs Are Eligible for Online Registration?
You may register for any programs listed in our program brochure that have an activity number. Summer Family Fun Patch, Summer Adventure Club, Bridge for Kids, Care 4 Kids, Bloom ‘N Grow, and Adult Sports Leagues are NOT eligible for online registration.

Online Security and Payments?
Online registrations and payments are processed through a secure system. We accept Visa, MasterCard and Discover.

A Few Things to Remember with Online Registration
-If you have an account, please make sure you have double checked your family info (birthdates, grades (if applicable), current phone number, etc.) so that you will be able to register without any problems. Remember we will only be available for trouble-shooting Monday-Friday, 8:00 a.m.–4:30 p.m., and as we have to manually verify each household once it is requested, it must be done during office hours. Office is closed May 27 and July 4.

-Make sure to register early! For processing and prepping, online registration is removed on Wednesdays for all programs starting the following week (ex: on Wednesday, May 15, classes starting May 20-26 will no longer be available for online registration).

-Open Enrollment Families attending Greendale School District Schools (public schools) for the 2019-20 school year may register online Saturday, May 11th as well. In order to receive the correct fees for classes using online registration, please call the office to let us know your family is Open Enrollment. If you do not let us know, you will not be correctly charged and we will not offer any refunds.

-Class Filled/Waitlist - If a class is marked full and you are still interested in the class, please call the office to be placed on a wait list. If we can accommodate more participants you will receive a call from the office and have a two day window to let us know if you want the spot and to make the required payment.

-Program Registration Confirmation/Receipt
Online: Print receipts at completion of registration.

American Writers Museum & Home of Ernest Hemmingway
adults

Opened in 2017 in Chicago, the American Writers Museum wants “to engage the public in celebrating American writers and exploring their influence on our history, our identity, our culture, and our daily lives”. This is a perfect visit for book lovers and book club aficionados! An introduction by staff will orient the visitor before they explore the exhibits on their own.

Have lunch at Hemmingway’s Bistro in Oak Park. Located in a hotel that once was popular with writers, it is on the National Register of Historic Places. You will have a choice of salads or sandwich, beverage, dessert.

Built by his grandfather, the home of Ernest Hemmingway was his birthplace and where he lived for his first twenty years, attending school and even singing in the church choir. Enjoy a guided tour of the house before we return to Wisconsin.

Truly a “literary-themed” daytrip!

Date: Thursday, June 20
Time: Departure from Pick & Save Parking Lot near former Office Max building (just southwest of 76th Street & Rawson) PROMPTLY at 8:00 a.m. Arrive 10 Minutes ahead. Return at 5:30 p.m.
Fee per person:
Resident: $98.00
Non-Resident: $103.00
(Includes Private Transportation; Admission to the Museum; Lunch, Beverage, Tax & Tip; Guided Tour of Hemmingway’s Home; and Hosted by Sunflower Journeys)

Wild About Lake Geneva

adults

Today, our first stop will be on the U.S. Mailboat Tour. There are only a handful of places left in the country where mail is still delivered by boat and none with a more exciting and scenic tour like this! They still deliver mail to about 75 homes around the lake on a daily basis from June 15 — September 16. Hop aboard the “Walworth” as it departs every day with a load of passengers, mail, and a very unique mail person for a cruise around the entire lake.

After the cruise, enjoy lunch at Popeye’s Restaurant. Popeye’s is not only a place to eat, but a “must visit destination” stop. All lunches include a baked chocolate chip cookie and coffee, tea, or soda. Your entrée choices (please indicate at time of registration) include ¼ Rotisserie Chicken with Chef Selected Starch and Vegetable; or Rotisserie Pulled Pork with Chef Selected Starch and Vegetable.

Our last stop of the day will be at Safari Lake Geneva. Nestled against a backdrop of over 800 acres of pristine wildlife habitat, this habitat is just a short five-mile venture from downtown Lake Geneva. Herein lies an animal adventure unlike any other in Wisconsin. This is “Safari Lake Geneva”, a unique conservation-focused ranch for a variety of species living in virtually free-range conditions. Enjoy a guided expedition into our unique sanctuary. Your animal adventure awaits!

Date: Wednesday, September 4
Time: Departure from College Avenue SW Park & Ride Lot promptly at 8:00 a.m. Return back at 6:00 p.m.

Cooking Under Pressure
ages 16 years and older and adults

Is your schedule busy? Is your time limited? Is there pressure to get meals on the table? Many people love the idea of cooking quickly which is why they turn to pressure cookers, to help them get meals on the table fast! The truth of the matter is that pressure cookers have gained a reputation through the years, but with the new electric pressure cookers, opinions are changing. Come join this introductory pressure cooking class where you will learn some general tips of use, as well as receive some inspiration for recipes that you will even be able to sample. Come alone, with a friend or a spouse (each person must be registered though) to learn how to have fun while cooking with pressure, relieving the pressure that you use to cook under in the kitchen.

“Taco Tuesday” Cooking Under Pressure
ages 16 years and older and adults

Taco Tuesdays have become popular in the last few years and the trend is what inspired this class. This pressure cooking class is inspired by Mexican cuisine. We will indulge in spin-offs of traditional favorites such as carnitas and chicken enchiladas just to name a few. This will be a “hands-on” class for electric pressure cooker users to get some more menu ideas to prepare for themselves and their families.

Date: Tuesday, July 16
Time: 6:00-8:00 p.m.
Place: Greendale Middle School
FACE Room (Home Econ)
Fee: Resident $30.00
Non-Resident $35.00

**Introducing Greendale Green Summer!**

In 2019, Milwaukee Metropolitan Sewerage District (MMSD) presents Greendale Green Summer. All summer long, we’ll be working with Village residents to explore what it takes to install green infrastructure on your property and learn why your neighbors are doing it. We’ll even help you install a rain barrel or soil amendment for free! Green infrastructure can play a big role in helping Greendale residents improve water quality in our rivers and Lake Michigan, reduce the likelihood of flooding and basement backups, beautify our neighborhoods and keep costs manageable. Email anytime with questions: GreendaleGreenSummer@gmail.com.

---

**Roll Out the Rain Barrel**

In this rain barrel workshop, you’ll learn about the many benefits of using rain barrels. Rain barrels capture rainwater from your roof that you can use to water your garden and planters. They also reduce the storm water runoff polluting our rivers and Lake Michigan. You will learn proper rain barrel installation and maintenance techniques, and you (one per household—Greendale residents only) will be given a FREE rain barrel for your home to take home at the conclusion of this workshop (so plan to be able to put in your vehicle to take home).

Clean & Green Day
“Help Me Day”
“For Greendale Seniors and Shut-ins”
Greendale Middle School 7th Graders
Thursday, May 23, 2019 12:45–2:30 pm

Greendale Middle School 7th grade students and their teachers would like to help you do your household chores! If you need help planting bulbs, putting up screens, hanging a picture, or sweeping a walk, this is the day for you. You will need to provide all supplies for the clean-up or planting project you request and the kids will provide the labor. You must be home during this time period. The students will spend from 30–45 minutes at each home so they can help out as many seniors as possible. Plan your projects by importance so the major ones get done first.

Obtain a form and pre-register at the Greendale Middle School Office or at the Greendale Park and Rec office, between April 15 and May 10, or contact Lee Burish at (414) 423-2800, ext. 3278.

**Google and You!**

*adults*

Here’s your opportunity to learn how Google interacts with Mobile Devices (Tablets, Smartphone and iPad). Did you know that google can be used far more than as a search engine? This program is geared towards bringing participants to an advanced level of understanding dealing with the ins and outs of google apps so that you can learn how Google can transform your tablet or Smartphone (Apple or Android) into a GPS, Calendar, and messaging device all under one account. No need to remember handfuls of passwords when you know how to use Google to its fullest potential, as all of these helpful features are housed under a single account.

Specifically in this course you will be learning how to use Google Calendar, Google Maps, Google Plus/Chat, Google Images, Google Search, Shortcuts, and Gmail on your Mobile Tablet or Smartphone. Because this is a cloud program (you’ll be learning about that too), it is completely compatible with both Apple and Android devices.

Learn how to use the powerful and free resource of Google to increase efficiency in both your personal and professional life. Hope to see you there!

Healthy Habit Building
ages 14 years of age and older and adults

Achieving a goal is not magic, and it doesn't just happen. It is the accumulation of what you do consistently. Your daily HABITS, good or bad, might seem insignificant but over time they produce BIG results. In fact, where you are right now, is the sum of your daily habits. Are your current habits taking you in a direction that you want to go? If yes, keep going; if no, you can turn it around right now! If you feel like you are on a roller coaster of good and bad days, or need help staying focused on your health goals, join us for this NEW Healthy Habit Building 6-Week Program promoting overall wellness. You choose your workouts, and what foods to eat. You will earn points for things like 30 minutes of exercise, eating fruits and vegetables, limiting sweets, and drinking the daily recommended water each day. Plus, you’ll be working on a positive mindset while having plenty of support along the way.

The ultimate goal of the program is to help you feel more confident and excited about how you look and feel, not just for summer, but FOR LIFE, by working on the small daily habits that add up to BIG RESULTS over time.

Incredible Toddlers
ages 2 and 3 with parent/caregiver

Discover how much your toddler can do at this class! You will explore science, art and movement, all around different themes.

This is a time where you as a parent/caregiver, can interact with your toddler while learning and having fun. As your toddler is doing their thing, the instructor will be explaining why this activity is important to your child's growth and development. The instructor will also have handy tips that you can do at home.

All while your child is being an INCREDIBLE TODDLER!

Space
Come be an astronaut and blast off into outer space! In this class, we will be exploring outer space through songs, science, movement, and art.

Colors and Rainbows
Your child will enjoy exploring the wonderful world of colors and rainbows. In this class, we will look at the different colors of the rainbow, we will be scientists and mix up different colors in test tubes, and be looking at the world in many different colors. We will finish the session by making our own rainbows!

Pond
Dive on into the pond! Explore the animals and plants that live in a pond environment. We will be singing, dancing, and creating our own pond. The last class we will be meeting at Scout Lake to see (and explore) first-hand the pond environment.

Incredible Toddlers

Note: All supplies are provided.

Parents are reminded to pick their children up at the completion time listed for the activity they are participating in. Recreation staff are not responsible for participants once their class is completed (they are also not paid to wait for parents who are late in picking up their children). We also ask parents to stress to their children that when they are in a school building they should go directly to their program activity area and not wander around the building. We do not wish to lose our privilege to utilize these facilities because of participants being where they should not be. Your cooperation with this is greatly appreciated.

The FIRST and FINAL instructional classes may be observed by parents or other non-participants, unless special dates are scheduled by the individual instructors. Our instructors welcome the opportunity to discuss participant progress with parents — ask before or after a class session.

To Our Program Registrants:

During the course of our programs, there have been times that disruptive participants have impacted our classes. Our instructors try to work with these participants; however, sometimes the behavior becomes such that it impacts the ability of the other students to learn and the ability of the instructor to teach and provide a safe learning environment. The following procedure will be in effect if problems occur:

1. Verbal contact between instructor and program participant and/or parent.
2. Reoccurrence following this conversation will result in removal from the program.

There will be no refund of fees for people removed from programs as the determination of offering classes depends on the number of registered participants.

“Let’s Build It!”
Chain Reactions
grades 1 through 5
(2019-20 school year)

“See the laws of motion at work in this thrilling, hands-on course! Students will construct machines, like the Heavyweight Hammer and the Spin-o-Matic, and then combine them to create exciting chain reactions! Each class, the chain reactions will become more complex with the introduction of new machines. The projects will afford students the opportunity to delve into concepts such as force, gravity, velocity, types of energy, and balance. On the last day, students will be challenged to create the Ultimate Chain Reaction by working cooperatively to see how many machines they can incorporate. Each participant will receive an award on the last day of the camp, and have the opportunity to earn Energy Belts by demonstrating their learned skills!”

Special thank you to the Greendale School District for their financial support toward this activity.
Let’s Code It
Video Game Design
grades 2 through 8
(2019-20 school year)

Do you like video games like Super Mario Brothers™? Design and play your own game in this new and exciting STEAM program. Our “all new curriculum” means both new and returning students will have a blast! Through the use of Scratch, a programming system developed by the MIT Media Lab, you’ll explore the fun of video game design. You will learn concepts including loops, control structure, conditional expressions, control statements, object oriented design concepts, data structures and variables. This, along with artistic expression in drawing, storytelling, and even music, will create an engaging and creative technical experience. Each student will receive an award on the last day of the session, and will have the opportunity to earn Code Belts to demonstrate their learned skills!

Dates: Tuesday-Friday
August 6-9
Time: 9:00-10:30 a.m.
Place: Greendale Middle School
MPR
Fee: Resident $89.00
Non-Resident $99.00
Instructor: Staff of Afterschool Enrichment Solutions

Under the Sea
ages 4 through 6
Come make foot prints in the sand and get ready to immerse yourself in all the wonders of the ocean. Each day will bring a new adventure to learn about sea creatures. Participate in stories, play with sea foam, do arts and crafts, sing songs and even come fish for a snack! But be prepared—we may even come across a shark!

**Writing a Successful College Application Essay**  
grades 11 and 12  
(2019-20 school year)

Why should you take a summer course on writing a college application essay? It is a wise move to have, at the least, a very strong personal essay draft “ready to go” when you may become overwhelmed with the time demands of completing college and scholarship applications early in your senior year. Do not procrastinate!

**Dates:**  
Monday-Friday  
July 29-August 2

**Times:**

- Session I  
8:30-10:00 a.m.  
#122034.1

**Bridge For Kids**  
Before and After School Program

Serving Canterbury, College Park, and Highland View Schools

The Bridge for Kids program offers before and after school care, full day care, 1 hour care (from 3:30-4:30 p.m. after school)

Activities include homework club, cooking club, sports, games, arts and crafts.
The Bridge for Kids program is open to children who attend Greendale schools and are 5 years of age (at the time of registration) and older and able to provide “self care.”

There are sites at Highland View and College Park. Our site for Canterbury is at the S.A.C. Room at the Middle School - the children are walked to Canterbury at the start of their day and then met at Canterbury at the end of their day to walk back to the S.A.C.

For registration details or to request more information, please call the 
Greendale Park & Recreation Department at 414-423-2790 or visit our website at gpr.greendale.k12.wi.us
Give your children a “recipe” for FUN this summer as we will be cooking up delicious eats and sweets this summer! Children are sure to enjoy working alongside their parent or their classmates while making some favorite foods!

**Place:** Greendale Middle School
**Instructor:** Mary Cruz

**Fee per session/time slot/pair when required:**
- Resident $8.00
- Non-Resident $13.00

**Note:** All supplies are provided. Each “Chef” should bring a smock or apron to wear. Please indicate, at the time of registration, any food allergies of the children.

**Fee per day:** $36.75 per child

**Registration Fee:**
- Individual: $33.00 per child
- Family: $65.00 (when all registered at same time)

**Field Trips:** Paid field trip options are offered throughout the summer (four-five) plus “walking” field trips around the village of Greendale.

**Coordinator:** Kathy Fern

**Assistants:** Angela Nemeth, Julie DeLong, Debra Kanitz, Ellie Bur, Abigail Derksen, Emily Seastrand, Zoe Perrault, Allison Lemke, Dianne Merriett, Ally Coombs, Cathy Erickson, Amelia Avdic-Kos, Megan Mattice, Sidorela Proko, Gabrielle Kamentz, Emily Mattice, Emily Caya, Julia Mutranowski, Johnny Manzo, Rosa Soto-Martinez, and Jessica Lemke.

**Note:** Children must be age 5 while attending and able to provide ‘self care’ to attend this program. Must be registered for each weekly session by the Tuesday preceding the week you wish to have care for your children.

**Don’t forget:** Students must pack a lunch and beverage each day they attend. Snacks provided. Because of our location, if parents wish to register their children for any of the other Park and Recreation activities, or Greendale School District summer school, occurring at Middle School, June 17-July 19 during the same time as this program, our staff will see to it that students get to the other classes they are registered in. Especially for the working parent, this makes more opportunities for more participation available.

Greendale Jr. Panther Poms
grades 4 through 8
(2019-20 school year)

Since 2006, the Greendale Jr. Panther Pom program has provided young Greendale dancers a great opportunity to develop fundamentally sound skills while instilling a love for dance, a sense of community pride, teamwork, and sportsmanship. This program is a great supplement for studio dancers! The Jr. Panther Poms program is only available to Greendale residents or Greendale Open Enrollment families.

Parent/Student Informational Meeting
Wednesday, May 29, 6:00 p.m. at Greendale High School Cafeteria/MPR
All Jr. Panther Pom program participants and a parent must attend the program “kick off” meeting on Wednesday, May 29th. Based on the dancers (new vs. returning), there are uniforms that will need to be ordered and paid for on May 29th. *The uniform is not included in the class fees listed. Approximate uniform expense for a new member is $165.00. Jr. Panther Poms will use the same uniforms (leotard, skort, jazz shoes, and tights) as in 2018-19 season.

Place: Greendale High School MPR/Cafeteria
*Fee: Includes Instruction, Competition Fees, T-shirt, and Poms
Director: Lynn Rutkiewicz, GHS Pom Coach
Instructors: GHS Pom Alumni and Current GHS Poms

SUMMER SESSION
This summer’s Jr. Panther Poms will compete in the annual Wisconsin State Fair Pom Competition on Sunday, August 4th, and perform at the GHS Varsity Football game on Thursday, August 22nd. Please only register if participant is able to attend at least 9 classes (including May 29th and July 31st) and is able to compete on August 4th. Parent observation day is July 31st.

 Dates: Wednesdays
 May 29-August 21
 exclude July 3, August 7 & 14

 Time: 5:00-6:30 p.m.

 Place: Greendale High School MPR/Cafeteria

 Fee: Resident $130.00

Note: Due to the building block nature of this program, attendance is very important as dancers will learn new material every week.

Class Etiquette/Attire: Participants need to be ready to go five (5) minutes to the start of their class time, dressed in gym or dance clothes (no jeans), tennis/dance shoes, and hair pulled back off face in ponytail/bun for every class. Poms should be brought to every class.

NEW! Gymnastics Camp
ages 4 through 8

Tumble, learn and explore the world of gymnastics! In this camp, you will learn the basic movements of marching, rolling and hanging on the bar! Balance skills will grow with the challenges of the balance beam. This is a great introduction to expanding your movement skills.

Mad Science
3-2-1 Blast Off
ages 5 through 12

This is your chance to be a rocket scientist! Become an aerospace engineer as you work in teams to build a real rocket! Students will learn about the amazing forces that effect flight; then, put these forces to the test as we watch our rockets blast off high into the air. Kids will build their very own propeller powered Shuttle Copter to continue the high-flying fun at home!

Date: Wednesday, July 10

Time: 12:30-4:30 p.m.

Place: Greendale Middle School Cafeteria/MPR

Fee: Resident $47.00

**Mad Science**

**Big Top Science**

*ages 5 through 12*

Today learn about the science behind things we see in a circus. Start the day off with the Mad Scientist Ring Master performing the Big Top Science Show. Children will LOVE to learn about the chemistry and physic concepts found in the circus acts. After the show, Jr. Scientists will experiment and try the experiments they just witnessed, such as writing secret messages, experimenting with a bed of nails, charming bubble snakes, and learning the science behind Cotton Candy (while tasting a sample!).

**NEW!**

**Bricks 4 Kidz®**

**Video Games Galore**

*ages 6 through 10*

Are you a video game enthusiast? In this fun and creative camp, you will be challenged to bring virtual images to life by building 3-D models from your favorite video games, such as Fortnite®, Minecraft®, Mario®, Pokemon®, LEGO® Dimensions and more! Campers will face new challenges each day building motorized Bricks 4 Kidz® models, figures builds, mosaic pictures and more. Are you up for the challenge?

**NEW!**

**Bricks 4 Kidz®**

**Transformation Creations**

*ages 6 through 10*

Get ready to build and discover how your model transforms! Campers will love the mash-up of combination models that can be rebuilt into something different. These awesome 2-in-1 models will include exciting characters, robots, vehicles and more! Follow the step-by-step building plans and ignite your inner engineer by using your imagination to transform your model into something unique. Join us for this fun-filled camp where you’ll use your creativity and engineering skills to build and transform!

**NEW!**

**Bricks 4 Kidz®**

**Building Is Awesome!**

*ages 6 through 10*

Do you think building is awesome? How about building with Emmet and Lucy? Then you won’t want to miss the Bricks 4 Kidz® Building Is Awesome Camp! Join Emmet, Lucy, Unicorn Kitty and Benny on a journey to stop Bad Cop and Lord Business from super-gluing the world. Campers will put their engineering skills to work as they build motorized models, 3D figure models and mosaics. They’ll love these awesome models based on the LEGO® Movie and its sequel. Whether you take an imaginary ride on Metal Beard’s ship or Emmet’s double-decker couch, be sure to get on over to Bricks 4 Kidz® where building is awesome!

Greendale Playground Challenge
Check out the NEW Greendale Playground Passport Challenge for summer 2019. This year’s challenge is an activity based challenge, sure to get you moving!

Here is what you need to do:
Pick up a Playground Passport at the Greendale Health Department, Greendale Park and Recreation Department, or any Elementary School to document your adventures.
Stop by Greendale’s 12 parks between May 27 and September 2, 2019. Follow the challenge instructions and complete the passport.
Turn in your completed passport to the Health Department (5650 Parking Street) to be eligible for a prize drawing. Completed passports must be turned in to the Health Department by Friday, September 6, 2019 to be eligible for the drawing. Winners will be notified by phone.

This Playground Passport Challenge is sponsored by Greendale Step Up to Better Health, Greendale Health Department, and Greendale Park and Recreation.

TOVA are a group of volunteers who build and paint the “Original” birdhouses. We enjoy sharing our painting techniques and woodworking skills with others in a creative environment.

The Greendale Park & Recreation Department oversees The Original Village Artisans (TOVA) Woodshop and Painting Place along with a supervisory staff.

Our items are sold through “KitschëCoo” located in the Village of Greendale. Proceeds are shared between Greendale Park & Recreation* and “KitschëCoo”.

*sale of TOVA items help fund Greendale Park & Recreation programs and TOVA (for future projects and supplies).

Clay, Clay, Clay!
grades 3 through 5
(2019-20 school year)

Students will explore different hand building ceramic construction techniques while developing their own artistic vision. We will explore a different technique (coil, slab, armature) on each of three construction days. Students will then apply these skills in pursuit of their own artistic vision. Students may create one piece over the three days or up to three pieces (one each work session). Families should note that student work will need to dry out and be fired in the kiln before color can be added. The 4th session will be for adding glazes and these will require an additional firing. Final pieces will need to be picked up at Park and Recreation after July 23rd.

Block Printing
adults
Block Printing is one of the oldest types of printmaking, and has been around for thousands of years. It is essentially using a carved material covered in ink to transfer an image on to paper, fabric, wood, canvas or any other materials you might want to experiment with at home. Block Printing can be done with wood, linoleum, rubber, or any other materials. We will be working with linoleum. You will find that images that are printed with this technique are typically much bolder than other types of printmaking. As this is done by hand, the ink sits on the surface which adds a raised texture to the paper.
For new and continuing students, in this two-night class you will draw, design, and carve your designs on to a block. On the second night, you will use your design block to print on paper.

Date: Mondays
July 15 and 22
Time: 6:30-8:30 p.m.

Greendale Community Concert Band

New Members Welcome at Any Time!

We are looking for new members and encourage anyone who plays a band instrument to come and join us. Membership is open to any adult or High School student with an interest in learning and playing concert music. Greendale has a very active Community Band which performs at numerous civic and cultural events in the area year-round. The Band's repertoire includes standard Symphonic Band repertoire, patriotic music, marches, Broadway/movie show tunes and big band numbers. Members of the band are all volunteers, some are even retired music educators! There are no fees or dues required to join. Just bring your talent, your desire and your commitment. So, pick up that instrument, dust it off and come join us!

If you are interested and can commit to the organization, please contact the Greendale Park and Recreation Department at 414.423.2790.

Mini Masters Swimming

graduates of Level 5 and up

Have you passed level 5 or 6 and want to swim but don't want to take lessons and are not old enough for or interested in a team? Look no further—Mini Masters is the program for you! Come join us in learning lap swim etiquette, swimming for fitness, games that will build strength and endurance, and much more! The first half of the class will be spent on lap swimming and the second half will be spent playing a game like Water Polo, Sharks and Minnows, or relay races. Participants, working with staff, will weekly develop a workout for the lap swim time and follow the workout with pointers provided by the instructor.

Dates: Tuesdays and Thursdays
- June 18-July 25
- July 2 & 4

Time: 8:00-8:40 p.m.

Place: Greendale High School, Pool
Fee:
- Resident $40.00
- Non-Resident $50.00

Note: This class is not for teaching technique, but refining what the participant already knows and preparing them for programs with competitive swimming and situations where they would have to share a lane to exercise.

Frequently Asked Questions and Answers for Aquatic Programs

When should we arrive: Please, no more than five minutes before class and please pick up promptly at the end of class. Swim instructors are unable to supervise the child(ren) outside of class time.

What TO bring and NOT TO bring: Must provide own suit and towel. Proper swim attire required—no cut-offs, shorts, and/or t-shirts, and no 2-piece swim suits (bikinis). Long hair should be pulled back. The Park and Rec Department is not responsible for lost/stolen items. No food or drink is allowed in the pool/locker room areas. (Water in a plastic bottle is acceptable).

Locker Room: Showers must be taken prior to swimming. Please use only the LIGHT colored lockers and bring your own lock. Children of the opposite sex may accompany a parent in the locker room if 5 years of age or under. Children ages 6 and above are expected to use the designated locker rooms—males in the boys/females in the girls.

Spectators: Parents will be allowed to observe instructional classes on the first day, observation day, and the last class only! No spectators on deck/bleachers during lessons or open swim time (State Code).

Pool Entrance For Summer Only: Please use doors on the east side of the high school. (B11) for daytime classes; use hallway side entrance (C20) for evening classes.

Water Temperature: 80-82 degrees

Open Swim: Children 6 and under must have someone 16 years or older in the water and within arms reach of the child AT ALL TIMES. Pool rules enforced by lifeguards. Use of pool toys (noodles or dive rings, etc.) is at the discretion of the head lifeguard.
Learn to Swim Program  
ages 6 and older

Make Swimming an Important Part of Your Child's Life!

Swim requirements offer a wide variety of activities to stimulate interest and motivate students to advance to the next level of swim instruction.

Students must provide their own suit and towel. To avoid distracting the children during classes, parents will be allowed to observe from the bleacher area during the FIRST CLASS, OBSERVATION DATE, and FINAL CLASS ONLY! Normal water temperature is 80-82.

Registration Note: During registration and until swim classes begin, you may only register for one session of swim lessons. Once you know whether your child will pass or not, then you may sign up for the next session of swim. Transfer fees ($5.00) will be assessed for each class change.

Note: Second and third session offerings may be adjusted depending on enrollment and skill levels.

American Red Cross
Lifeguard Course R.17
“Blended Learning”
ages 15 years and older adults

Learn how to effectively prevent and respond to water emergencies. Gain the skills and knowledge to prepare you for a variety of scenarios in and around the water. Learn how quick response times and effective preparation are vital to being a lifeguard while also understanding the crucial elements in helping to prevent drowning and injuries.

As a blended learning course, participants will receive an online link to complete the classroom portion. There are swim skill requirements that must be successfully completed at the pre course to continue.

Swim Skill Prerequisites to successfully complete include swimming 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may use front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Tread water 2 minutes using only the legs. Complete the following events in 1 minute, 40 seconds: Starting in the water, swim 20 yards. Face may be in or out of the water. Surface dive, feet-first or head-first, to a depth of 7-10 feet to retrieve a 10-pound object, return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface so they are able to get a breath, exit the water without using a ladder or steps.

To successfully complete this course, you must attend all class sessions, pass both final written exams with a minimum grade of 80 percent, and demonstrate competency in all required skills and activities.

Dates/Times:
Pre course
Thursday, May 23 (7:15-9:15 p.m.)
Friday, May 31 (5:00-9:00 p.m.)

Fee:
Resident $200.00
Non-Resident $225.00

Instructor: Greenfield Parks & Rec Staff, Certified Instructor Trainer

Deadline to Register: May 20th
Tennis Court Reservations

Only residents of Greendale may reserve a community tennis court during the summer. Reservations for courts will only be issued at the Park and Recreation Office during the hours of 9:00 a.m. to 4:00 p.m. Monday-Friday (Closed July 4). There will be a $2.00/hour/court charge for this reservation.

Greendale individuals may reserve one court for one hour (for up to three dates at one reservation); it must be at least 24 hours in advance of the time reserved. Your reservation will give you priority to use one court for one hour. All tennis players must observe this permit. There will be priority usage for court time.

All Players:
- Please use tennis etiquette and observe posted rules.
- Please limit play to one hour unless no one is using court.
- Tennis shoes must be worn—NO STREET SHOES.
- Greendale High School and Greendale Park and Recreation Department activities have priority usage for court time.

Location of Courts:
- Greendale High School (unlighted) 8 courts
- College Park (unlighted) 3 courts
- Community Center (lighted until 11:00 p.m.) 6 courts

Memorial Tree & Bench Program
“There are very few ways that one can better celebrate life or a memory than planting trees or donating a park bench. Trees and park benches are a living celebration or memorial that give joy and pleasure year after year.”

To request either a bench or a tree, please submit a written request with the appropriate payment to the Greendale Park and Recreation Department. Visit the Park and Recreation Department’s website to review the information, fees and guidelines for requesting a memorial.

There are two options for the memorial bench that have been pre-approved for durability and ease of maintenance by the Greendale DPW and certain species of trees designated for parts of the Village. The DPW will take care of installation of the bench or planting of the tree. For an additional fee an engraved plate can be installed on the bench to further add to the memorial.

For more information and pricing please visit the Department’s website gpr.greendale.k12.wi.us/parks or contact the Park and Recreation Department at 414-423-2790.

“Bags” Cornhole Leagues

The Greendale Park and Recreation Department hosts “Bags” or “Cornhole” leagues three times throughout the year. The “Spring” season (May-June) is underway and we are taking registrations for the “Summer” (July-August) season now.

Form your team of 2-4 team members and come out for some fun in this social setting! Join us to play on either Monday or Wednesday evenings (or may register for both nights) between the Community Learning Center and Panther Pub & Eatery. Games will start at 6:15 p.m. The six-week season will have round robin scheduling to determine league winners. Panther Pub & Eatery gift cards will be awarded to 1st, 2nd and 3rd place teams.

For further information, contact the Park and Recreation Department at (414) 423-2790.

Archery Instruction

Beginner/Casual archery is a five-week course where instruction will be given to beginners or those wanting to improve their archery skills. Learn the sport of archery and all the safety rules will be explained and enforced. Registrants may use their own equipment (bow—NO crossbows, arrows—NO broadhead, quiver, tab or release, and arm guard). Those without equipment will be charged an additional fee for equipment rental.

Dates: Wednesdays
- Session I: June 4-August 13
- Session II: Tuesdays June 3-August 12
- Session III: June 4-August 13

Time: 5:15-6:15 p.m.

Note: Registrants under 16 years of age must have a parent/guardian present at all times. For more information and directions to the archery range visit www.schultzgunclub.com.

Ladies 5 Hole Tour

Are you looking to improve your golf game, play a few holes and be with your friends? This 10-week, 5-hole golf league, for ladies only, gives you a chance to learn the game and play a few holes of golf. Lessons will be 5:15-6:15 p.m. (Mondays), 9:30-10:30 a.m. ( Tuesdays), or 5:15-6:15 p.m. (Tuesdays) with golf to follow.

At the conclusion of your lesson, pick who you want to play with, you’ll then be assigned a starting hole for you and your friends to play as many holes as you wish.

Registrants should plan to attend the “Get Acquainted/Informational” meeting (both days) on Tuesday, May 21st, at 6:00 p.m. at MLCC. Refreshments will be served (beer and soda for nominal charge, snacks free) with the evening including explanations of league activities, common golf terms, rules, and GAMES OF CHANCE!

Dates/Times:
- Session I: Mondays June 3-August 12
- Session II: Tuesdays June 4-August 13
- Session III: June 4-August 13

Fees:
- Residents $270.00
- Non-Residents $280.00

Instructors:

Note: Included in the fee is your golf, lessons, range balls, and a golf cart. Credits even issued for up to two missed lesson days for a future round of golf. Call (414) 425-6500 for status of class when weather is questionable. Please be on time! More information available at “Muskegolakes.com”.

Deadline to register: May 10th (or until filled)

Participants may register for this program upon receipt of this brochure by calling the Park and Recreation office.
Soccer Instruction
grades 5K through 2

This program is a fun introduction to soccer! Soccer skills will be learned through game-based activities and age appropriate challenges rather than traditional drills. This method encourages children to enjoy the lesson while learning to follow directions. It also offers opportunities for physical activity, socialization, improved coordination and team building. See you on the pitch!

Dates: Monday-Thursday
July 22-25

Time: 5:15-6:15 p.m.

Place: Greendale Middle School Field

Fee: Resident $20.00
Non-Resident $30.00

Instructor: Madeline (Eisen) Kornbeck

Note: Participants should wear active clothing and bring a water bottle.

Ice Skating Lessons
ages 3 years and older through adults

Ice skating is one of the world’s greatest sports! Skating is fun, challenging, and rewarding. Levels are designed to develop preliminary coordination and strength necessary to maneuver on the ice and gain basic knowledge to advance to specialized levels. Following the program designed by the U.S. Figure Skating Association, this progressive lesson program is perfect for the beginner or “not so” beginner skater!

*Dates: Saturdays
Session I May 11-June 29 *excluding May 25

Instructor: Greater Milwaukee Figure Skating Club

Note: *It should be noted that times may vary on occasion if Wilson Park schedules a tournament, etc. Also, there may be a couple of exclusion dates that were not known at the time of the printing of the brochure. Program fee is based on a 7-week schedule between the dates listed. Staff of the program will provide up-to-date information to registrants.

**If registered for two consecutive 7-week sessions at the same time, the fee for each session is $110.00 ($220.00 total). Also, family discount, 3rd person registered in same family receives a $30.00 discount.

Skate rental is NOT included. Rentals are $3.00 per lesson at the Wilson Ice Center.

Participants may register for session I upon receipt of this brochure by calling the Park and Recreation office.

Passes are available to Greendale resident “older adults” (ages 65 and older) for free admittance to any Greendale High School home athletic event (excluding conference, regional or sectional events). Athletic contests away from home are excluded. Non-transferable. Pass is available at the High School Athletic office, Monday-Friday from 9:00 a.m.-3:00 p.m. during the school year or Greendale Park and Recreation Office located at 5647 Broad Street between 8:00 a.m. and 4:00 p.m. beginning August 6th. A picture identification indicating age and address must be shown to obtain a pass.

Greendale Park and Recreation Department, in conjunction with Greendale School District, will continue to offer a variety of After School programs and activities in the fall. These programs will continue to run from 3:45-4:45 p.m.

Opportunities include:

- Bricks 4 Kidz® (Engineering Classes)
- After School Learning (Coding Classes)
- Young Rembrandts (Drawing Classes)
- Mad Science (Science Exploration)
- Variety of Sports

The Department continues to do our best to offer a wide variety of programs and activities across all elementary grades to keep our youth active and engaged.

Be sure to check the “After School Sports & Activities” section in the Fall 2019 program brochure for these opportunities!

**JUNE 22**
**THE DIFFERENTIALS** (pop vocals from ‘60s & ’70s)
Hearken back to listening to the Eagles, Crosby Stills Nash and Young, Roy Orbison, and a host of others. This is the Classic Rock music you will hear from this quartet of singers - all pros in their own right and truly harmonious when all together. Greendale native Mark Wanasek sings and plays in this group. http://thedifferentialsband.com

**JUNE 29**
**BRITISH INVASION** (music from the ‘60s)
Beginning in January 1964, when The Beatles’ ‘I Want To Hold Your Hand’ reached No. 1 in the Billboard Hot 100, a wave of British rock bands dominated the US musical charts for several years. As a tribute to this era, and to their musical roots, ‘The British Invasion’ presents a musical journey through the 1960’s. http://www.britishinvasion64.com

**JULY 6**
No scheduled performance.

**JULY 13**
**MAGIC SHOW & OUTDOOR MOVIE NIGHT**
Magic show by Rick Allen and then a “Movie in the Park” for families at Dusk (How to Train Your Dragon: The Hidden World)!

**JULY 27**
**ERIC LOOK BAND** (rock ‘n roll)
Eric was diagnosed with Kanner-type Autism when he was three years old. Along with that diagnosis followed many years of uncontrollable obsessions, severe sound sensitivity, challenging behaviors and the inability to communicate as most children do. But in the midst of all of this shined his music. He started with a little yellow V-tech keyboard at the age of four, playing songs by ear. Over the years, the keyboards got bigger and the songs more complex. He has overcome the many obstacles that the autism provided to become the fine young man and musician he is today. http://www.ericlookonline.com/about-eric-look

**AUGUST 3**
**PIANO FONDUE** (dueling pianos)
Piano Fondue provides a unique, entertaining, and interactive evening with their baby grand dueling pianos.

Crossing Guards Needed
The Greendale Police Department is currently accepting applications for the position of Crossing Guard. This position involves assisting students and pedestrians with crossing various intersections throughout the Village. Full time Crossing Guards are responsible for one intersection during both the morning and afternoon. Relief Guards are on an on-call basis and will fill in when a full time Crossing Guard is unavailable for their shift. Morning crossing times vary but range from approximately 8:00 a.m. to 8:50 a.m. depending on the intersection. Afternoon crossing times vary but range from approximately 3:20 p.m. to 4:00 p.m. depending on the intersection. This is a paid position and is a great way to assist our department with making Greendale a safe place for everyone. If you are interested please submit your application at Greendale.org.

Volunteers
“The scope and success of the Greendale Park and Recreation Department, and its many activities and programs, are greatly enhanced through the assistance of a dedicated volunteer corps.” With reduction in budgets, volunteers become even more important in our overall operation.

There are many opportunities to volunteer within the department. Volunteers will be matched with our needs based on their talents and interests. The department utilizes volunteers to assist in office work (filing, class lists, evaluations, answering telephones, etc.); with registration implementation; program aides/assistants to instructors (chaperones for outings, extra eyes for swim lessons, Bloom ‘N Grow, prepping art projects); coaches/officials for youth sports (flag football, basketball, afterschool sports programs), and many odd projects.

Volunteers are an integral part of all we do, do you have time or talents to share??? If so, please give us a call at 414.423.2790.

Thank you for your consideration!

New to Greendale??
We would welcome the opportunity to talk with you about the Park and Recreation opportunities available for you and your family.

Recreation Assistance Program
The Greendale Park and Recreation Department recognizes that some of the residents of the Village of Greendale require financial assistance to attend certain recreational activities. RAP provides these residents with the opportunity to attend these programs at a discounted rate.

Any family or individual who is a resident of the Village of Greendale may apply for the Recreation Assistance Program. To qualify, residents must meet Federal Income & Financial Support Guidelines (Income Eligibility Guidelines for the Federal Government will be acceptable guidelines for the Department to follow encompassing household size and annual income). If families qualify for the free and reduced school lunch program through the Greendale School District, a copy of that application may be submitted as documentation.

For more information, or to request an application, stop in at the Greendale Park and Recreation Department.

Financial assistance for this program is supported through our “Round Up for Recreation” program supporters and our Park and Recreation Benefit Auction.

Registration available online...beginning May 11th.

Department Policies

Recreation Information Line: (414) 423-2803
A reminder that the “Info Line” is your link to the Recreation Office for up-to-date info on program schedules, class cancellations, changes, etc. This is a 24-hour recorded message. Keep this number handy and keep informed!

Department Sales Tax
Sales tax is included in those programs that have an admission charge, such as open swim, open basketball and entry fees for any leagues (volleyball/softball/basketball), in accordance with the Department of Revenue laws.

Waiting Lists
When you register and your class is filled, please be sure to list out a waiting list form. The Department will make every effort to accommodate those on the waiting lists (adding classes, etc.). If any openings become available, we will then go to the waiting list to fill the class. Once you’ve been called about a class opening, you have ten days to pay for your spot or it will be released to the next person on the waiting list.

Transfer and Refund Policy
The Park and Recreation Department will assess a service fee of $5.00 for any class transfer or refund request in all classes that are not covered by our refund policy. Check your forms at registration to make sure you have the proper class forms. Note: For all art and/or craft classes, deadlines on Getaways/enticing programs, cooking classes or Mad Science classes, refund requests must be made six business days before the class begins or as indicated on specific programs. Your receipt must accompany your refund request. There also will be no prorating of class fees.

Refund Checks
If the department cancels a class, or you request a refund, checks are processed from the Park and Recreation Office, and will be mailed out. They take up to two weeks to receive.

Notice of Nondiscrimination Policy
It is the policy of the Greendale School District that no person shall be denied admission to, or participation in, the benefits of any curricular, extracurricular, pupil services, recreational or other program or activity, or employment on the basis of sex, race, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, medical condition or disease, or physical, mental, emotional or learning disability.

Program Activity Evaluations
In an effort to continue focusing on quality programs, the Recreation Department asks each class participant from all registered activities to complete a class evaluation form. This will help future programming decisions. If you do not receive an evaluation form, please contact the Park and Recreation Department.

No Smoking/Alcohol Use Policy
A reminder to all program participants: The use of all tobacco products or drinking of alcoholic beverages on premises owned by Greendale Schools, and will be mailed out. They take up to two weeks to receive.

No Smoking/Alcohol Use Policy
A reminder to all program participants: The use of all tobacco products or drinking of alcoholic beverages on premises owned or rented by the Greendale School District is prohibited by state law. Your cooperation in upholding this law is necessary.

Adaptive Program
We are interested in identifying the recreational needs of children and adults with disabilities who reside in Greendale. These needs may include adaptive or mainstreamed programming or resource assistance. Please contact the Greendale Park and Recreation Department weekdays at (414) 423-2790 if there is a program that someone you know would like to participate in but special adaptation may be necessary.

Class Cancellations
1. Due to weather... Questions regarding class cancellations often arise with weather. For information on cancelled classes, due to inclement weather, turn your radio to WISN, WTMJ or call the Recreation Information Line at (414) 423-2803 for updated cancellation information. We may wait up to one hour prior to class time to cancel a class. Parents are encouraged to use their own discretion about sending children if conditions are questionable. If Greendale cancels schools for the day or sends students home, all Park and Recreation activities are cancelled.
   a. If inclement weather potentially forces program cancellations, all participants should: Call the 24-hour information line at (414) 423-2803 to check on the status. If the program is being held at a Greenfield location, please call the Greenfield Parks & Recreation 24 hour hotline at (414) 297-9008.
   b. If you have not been informed through the information lines or contacted by the Department, your activity has not been cancelled.
   c. If poor weather conditions develop within 1-1/2 hours of the activity/event, report to the site if in doubt. Remember all sites are unique and activities may be conducted or modified.
   d. Once at a program site, decisions concerning the cancellation or discontinuation of the activity will be in the judgment of the instructor, site supervisor, leader or game official.
   e. If unexpected school (educational or athletic) programming, unrelated to weather, forces program cancellation all registered participants will be notified. (Post card, note on receipt, phone call, etc.)

Hospital/Medical Insurance
The Department does not provide hospital/medical insurance coverage for people participating in sponsored activities. Further, the School District and/or Village does not provide hospital/medical coverage for Department sponsored activities. Participants are encouraged to obtain their own insurance coverage prior to and for the duration of the activity they take part in.

Lesson Observation & Visitors Day
The FIRST and FINAL instructional classes may be observed by parents or other nonparticipants, unless special dates are scheduled by the individual instructors. Our instructors welcome the opportunity to discuss participant’s progress with parents — ask before or after a class session.

Cooperative Programming
What does this mean? When you see this symbol it means this program is being made available as part of a cooperative programming agreement with other local departments or agencies. This is being done because individually each department or agency may not have the facility or instructor or enrollment necessary to offer the program. Working together the cooperative departments are able to better serve the needs of their residents by expanded program opportunities.
