League Information

- Schedule consists of three parts: regular season, divisional round, and playoff. The regular season is a single game round robin format for the first 8 weeks. The league is then split into two divisions based on regular season record. Teams then play a single game round robin in their division to determine playoff seeding, 1st place in each division will earn a first round bye in the playoffs. Season concludes with a single elimination playoff bracket for each division.
- If all regular season games have not been played before the divisional split, the schedule will be adjusted to accommodate.
- First team listed is home team and will sit on 1st base side.
- No infield practice at any time. No batting practice until games are completed on both fields.
- **Rainout number is (414)423-2803 after 3:30 p.m.** If there is no reference to softball games, games are ON. Only if games are being cancelled will the recording reference softball game status.
- **Make-up Games** will be scheduled as doubleheaders throughout the season.
- No drinking of fermented or alcoholic beverages at the complex or in the parking lot.
- Drinking fountains may not be operational at Community Center Park this summer. Please bring filled water bottles.

Guidelines to help prevent the spread of COVID-19:

- The Greendale Park and Recreation Department is actively monitoring the ongoing COVID-19 pandemic. Policies and procedures are therefore subject to change as new information and guidance becomes available from local health authorities and other government entities. Please be on alert for any department communications regarding our COVID-19 policies.
