

# BITS & BYTES

## Introduction to iPhone/iPad

adults

As mobile phones dominate the modern world, it's hard to keep up without them. This class will walk through the bones of your "Apple" devices. We will be exploring the settings of your iPhone/iPad to tailor them to your needs, and keep you up-to-date with the world. We will go over user and privacy settings, figure out iCloud, how to download apps and music, add email accounts, and much, much more. Hope to see you there!

**Dates:**  
 Session I Tuesdays #310854.1  
 January 29 and February 5  
 Session II Wednesdays #310854.2  
 February 20 and 27  
**Time:** 6:15-7:50 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee per session:** Resident \$24.00  
 Non-Resident \$34.00  
**Instructor:** Nathan Bilan

**Note:** Bring your iPhone/iPad (fully charged) and updated to the most current/latest operating system.

## One-to-One Tutoring Apple Device or MAC Computer

adults

For anyone who has ever struggled with learning how to use the basic functions of their iPad/iPhone and learn on an individual scale, this private lesson is for you. In the lesson we will be going over the basic features of your iPad/iPhone that you want to understand better. Hope to see you there!

 Non-Resident \$19.00  
**Instructor:** Nathan Bilan  
**Note:** Bring your iPhone/iPad (fully charged) and updated to the most current/latest operating system.

## Google and You!

adults 

Here's your opportunity to learn how Google interacts with Mobile Devices (Tablets, Smartphone and iPad). Did you know that Google can be used far more than as a search engine? This program is geared towards bringing participants to an advanced level of understanding dealing with the ins and outs of Google apps so that you can learn how Google can transform your tablet or Smartphone (Apple or Android) into a GPS, Calendar, and messaging device all under one account. No need to remember handfuls of passwords when you know how to use Google to its fullest potential, as all of these helpful features are housed under a single account.

Specifically in this course you will be learning how to use Google Calendar, Google Maps, Google Plus/Chat, Google Images, Google Search, Shortcuts, and Gmail on your Mobile Tablet or Smartphone. Because this is a cloud program (you'll be learning about that too), it is completely compatible with both Apple and Android devices.

Learn how to use the powerful and free resource of Google to increase efficiency in both your personal and professional life. Hope to see you there!

**Dates:** Tuesdays #310866.1  
 February 26 and March 5  
**Time:** 6:15-7:45 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee per session:** Resident \$22.00  
 Non-Resident \$32.00  
**Instructor:** Nathan Bilan

**Note:** Must have a Gmail account already established and have a basic working knowledge of your account. Participants must also be able to have working knowledge of use of a personal computer (mouse, keyboard, etc.).

# Computers Don't Byte!

## Introduction to MAC (Apple Computer)

adults

For anyone who is new to an Apple computer, this class is for you! In this class you will go over the settings, as well as many of the apps already installed on your Apple computer. You will also briefly touch on iCloud and other basic functions of an Apple computer. Hope to see you there!

**Date:** Thursday, February 7 #310863.1  
**Time:** 6:15-8:00 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee:** Resident \$13.00  
 Non-Resident \$23.00  
**Instructor:** Nathan Bilan  
**Note:** Bring your own Mac fully charged. This class is for the **Beginner ONLY** and **NOT intended for current users.**

NEW!

## "Old Family Photos & the Digital Age"

adults

Working on your old family photo prints and slides is a perfect Cabin Fever project!

This two-hour seminar covers your options for scanning photo prints and slides into digital picture files - whether you have a computer or not - for a multitude of uses and sharing. Topics include creating a workflow, how to scan, how to get and stay organized, and how to back-up your pictures onto other storage devices.

**Date:** Wednesday, January 30 **#310840.1**  
**Time:** 6:30-8:30 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee:** Resident \$17.00  
 Non-Resident \$27.00  
**Instructor:** C.T. Kruger

NEW!

## Advanced Digital Photography

adults

Bring your camera to this hands-on workshop to learn how to "get out of automatic" and use your camera's exposure modes and functions in situations like Sports, Portraits, Nature, Kids, Low Light, and more. This two session class, totaling four hours, is ideal for people who have purchased interchangeable lens (DSLR) cameras, or have an advanced digital camera with Program, Shutter/Aperture Priority, and Manual exposure modes.

**Dates:** Mondays **#313016.1**  
 April 29 and May 6  
**Time:** 6:30-8:30 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee:** Resident \$35.00  
 Non-Resident \$45.00  
**Instructor:** C.T. Kruger

## "You Have Pictures In Your Camera - Now What!"

adults

We have hundreds - if not thousands - of pictures in our cameras, smartphones and computers. Now what...?

This two-hour seminar teaches techniques to save pictures from cameras and smartphones to your computer, to external devices and to "the Cloud."

Class covers how to organize your pictures, viewing pictures from any device, printing options, and how to archive your pictures for the decades to come.

**Date:** Monday, May 13 **#313006.1**  
**Time:** 6:30-8:30 p.m.  
**Place:** Greendale High School  
 Computer Lab 177  
**Fee:** Resident \$17.00  
 Non-Resident \$27.00  
**Instructor:** C.T. Kruger

## Free Passes to Athletic Events

adults 65+

Passes are available to Greendale resident "older adults" (ages 65 and older) for free admittance to any Greendale High School home athletic event (excluding conference, regional or sectional events). Athletic contests away from home are excluded. Non-transferable. Pass is available at the High School Athletic office, Monday-Friday from 9:00 a.m.-3:00 p.m. during the school year or Greendale Park and Recreation Office located at 5647 Broad Street between 8:00 a.m. and 4:00 p.m. A picture identification indicating age and address must be shown to obtain a pass.
